

## **iHRMS Mobile Application- iOS Version**

This is to inform you all that iOS version of IHRMS mobile app is available on App Store with the name "***IHRMS-Punjab***"

Link to download app on iOS Mobile is <https://apps.apple.com/in/app/ihrms-punjab/id6443656798>

This is the first version hence may have certain shortcomings but we assure you to continuously take steps to improvise it in future versions and make it more robust.

Few extra features are available in the iOS app which android applications may not have. We are also now updating the android version so that app in both versions is the same.
